

Science Project Human/Animal Research Approval Form

This form certifies that a project involving the use of vertebrate animals, animal or human tissues, or human participants, meets the standards required by Youth Science Foundation Canada (YSF). The signature of the student certifies that the rules of the YSF have been read, understood and followed at the level appropriate for this project. The signature of the Adult Supervisor certifies that the project meets the rules of YSF. The signature of the Scientific Supervisor, if applicable, certifies that appropriate professional supervision was provided and, if relevant, also meets the rules and safety regulations that govern the research activities at the institution where the research was carried out.

Name of student _____

Title of Project _____

This project involves: Use of Vertebrate Animals ___ Yes ___ No
 Animal or Human Tissue ___ Yes ___ No
 Participation of Humans ___ Yes ___ No

Declaration by the Student Researcher:

I declare that I have read the rules that relate to my project and that I understand them at a level that is appropriate. My project satisfies the rules of Youth Science Foundation Canada.

Signature _____

Date: _____ Phone: _____ Email: _____
